

10 Facts you don't know about Olympia Benefits

In 1997, Olympia Benefits was created with a mission to provide Canadian small business owners with affordable and easy to use benefit plans. Since then, Olympia has established itself as the market leader for small business Health Spending Accounts.

As a subsidiary of the publicly traded Olympia Financial Group, we are a transparent company that values integrity, commitment, excellence, and leadership.

Most importantly, we understand small business owners and strive to deliver an outstanding experience to our clients. Through our experience of processing over 1,000,000 Health Spending Account claims, we have developed a reliable and consistent platform for our clients to make their medical expenses both affordable and easy to pay.
